- (a) Signs:** Resident shall not place or display any signs, lights, decorations, or markings on the outside of the house or on the property.
- (b) Locks:** Resident is prohibited from adding locks to, changing, or altering locks installed on the doors of the house without prior written permission of management.
- (c) Entrances, Walks, and Lawns:** Entrances, walkways, driveways, lawns, and other exterior areas shall not be obstructed, used for storage, or used for any purpose other than ingress and egress.
- (d) Antennas:** Satellite dishes, antennae, and aerials shall not be placed or erected on the roof or exterior of the house or any building without prior written consent.
- (e) Parking:** Resident agrees to abide by all parking regulations established by management. No motorcycles, trucks, vans, campers, recreational vehicles, boats, trailers, mobile homes, buses, or mechanized equipment may be allowed on the property without management's prior approval. If management has designated spaces or areas for parking, resident agrees to park only in those spaces so designated. Non-operable, abandoned, or unauthorized vehicles are not permitted on the premises. Any such vehicle may be removed by management at the expense of the resident or other person owning same, for storage or public or private sale, at management's option, and the resident or person owning same shall have no right of recourse against management therefore. The definition of non-operable, abandoned, or unauthorized vehicles shall be liberally construed in favor of management. In addition to their generally accepted definitions, "unauthorized" and "non-operable" shall also mean vehicles which:
1. Are noxious, offensive, unsightly, unpleasant, or unkempt such as could reasonably affect the appearance or rental marketability of the property, or such as could reasonably cause embarrassment, discomfort, annoyance, or nuisance to management, owners, or neighbors;
 2. Are causing damage to the property or the parking area, including but not limited to oil or gas leaks, seepage or spills, and motorcycle kickstands which sink into the pavement;
 3. Are not registered with management as required;
 4. Are not properly parked between parallel lines or other lines marking spaces for parking;
 5. Are blocking access to any prohibited areas, designated "no parking" areas, fire lanes, fire hydrants, ingress and egress travel lanes, entrances, exits, or service areas;
 6. Are left on blocks or jack stands;
 7. Appear to be in a state of disrepair;
 8. Appear to be incapable of self-propelled movement;
 9. Do not have a proper license tag, current license decal validation sticker, current state emissions inspection sticker, or minimum applicable motor vehicle insurance.

Unauthorized, non-operable, or abandoned vehicles shall not be kept, placed, stored, parked, maintained, or operated in any area of the property. The term "vehicle" includes, but is not limited to, both motorized and non-motorized vehicles such as automobiles, trucks, vans, motorcycles, boats, trailers, campers, mobile homes, motor homes, commercial trucks, buses, and heavy motorized or mechanized equipment. Further rules and regulations may be specified in a parking rules and regulations addendum, which is incorporated by reference herein and shall be effective regardless of whether it has been separately signed by the parties. An "abandoned motor vehicle" shall include, but is not limited to, any vehicle, motor vehicle, or trailer which has been left unattended on the property for a period of not less than thirty days without anyone having made a claim thereto.

(f) Storage: No goods or materials of any kind or description which are hazardous, combustible, or would increase fire risk shall be taken or placed in storage areas. Storage in such areas shall be at resident's risk, and management shall not be responsible for any loss or damage.

(g) Porch, Patio, or Deck: Any porch, patio, or deck shall be neat and clean at all times. No rugs, towels, laundry, clothing, appliances, or other items shall be stored, hung, or draped on railings or other portions of the porch, patio, or deck. Use of cooking grills with a combustible fuel source is not permitted within ten (10) feet of any building, consistent with applicable minimum fire safety standards.

(h) Recreation and Service Areas: Resident shall abide by all rules and regulations pertaining to the use of any recreational and service facilities.

(i) Resident Liable for Actions of Family, Occupants, Social Guests, or Invitees: Resident shall be responsible and liable for the conduct of his or her family, occupants, social guests, or invitees. Acts or failure to act of resident's family, occupants, or invitees in violation of this contract, any addenda, or management's rules and regulations may be deemed by management to be a breach by resident. Resident acknowledges and agrees to communicate and explain all addenda, rules and regulations, and the terms of this lease to his or her family, occupants, guests, and invitees.

(j) Window Treatments: All window treatments shall present a neutral, uniform exterior appearance and shall not detract from the marketability or appearance of the property. Resident shall not damage or remove blinds or other window treatments installed by the owner and part of the house.

(k) Water Beds: Resident shall not have or keep any water beds in the house without prior written permission of management.

(l) Conduct: Resident acknowledges that all notices required to be given shall be given in writing. Resident agrees to handle his or her communications and conduct with management, including but not limited to leasing agents, staff, maintenance personnel, or independent contractors and vendors hired by management, and with all neighbors, occupants, guests, or invitees in a lawful, courteous, and reasonable manner. Resident shall not engage in any abusive behavior, either verbal or physical, or any form of intimidation or aggression, directed at management, its agents, its employees or vendors, or directed at any neighbors, occupants, guests, invitees, or any other person on the property. If requested by management, resident agrees to promptly conduct all further business in writing. Any acts of abusive behavior, whether verbal or physical, by resident or resident's family, guests, or invitees shall be grounds for termination of this lease. Resident agrees not to damage the house or any other portion of the property, including but not limited to the physical facilities, buildings, trees, or landscape. Resident shall be liable for all acts or failure to act of his or her family, occupants, guests, or invitees which result in damages to the house or the property. Resident shall remain liable to management for any damages which exceed normal wear and tear and agrees to pay management promptly upon notice of such damages, notwithstanding whether the repairs have actually been made. Any amounts due from resident because of damage exceeding normal wear and tear shall constitute additional rent which is due upon invoicing.

(m) Amendments: Management shall have the right to amend, add, change, delete, or modify these Community Rules upon reasonable notice to Resident at a future date.

(n) Package Release Authorization: Management may refuse any delivery to the management office at management's sole discretion. If management, as an accommodation, accepts packages, shipments, parcels, and other items on resident's behalf, acceptance of such items is a gratuitous bailment and not a bailment for hire. Resident authorizes management to sign for and receive such items on resident's behalf. Management has no obligation to deliver the items to resident and may refuse to accept any item that appears to be damaged or improperly delivered. Resident is responsible for tracking delivery of all such items and agrees to pick them up promptly. Resident releases management of any liability for loss or damage of the item unless such loss or damage was solely due to or solely caused by management's gross negligence.
